

# Fact Finding Mission

Show Date: \_\_\_\_\_ Time: \_\_\_\_\_ For: \_\_\_\_\_ Contact: \_\_\_\_\_

Please help me personalize my performance for your group by providing the following information. Remember the *more* personalized information you can give me, the better I can fine-tune my performance for *your* group. That being stated, feel free to skip those that don't apply, or write in additional ideas. Try to use names of good-natured folks that will be in attendance. Our intention is not to *embarrass*, but rather to flatter by being singled out as special. Please tip me off to any subjects that for one reason or another *might* be taboo for your particular group. Please use information that is **public** knowledge so it can be appreciated by a majority of those attending the show.

Thank you!
